MEMORANDUM

20 September 1945

TO: Col. Edward W. Gamble, Jr.  
Liquidation Officer

FROM: Office of General Counsel

SUBJECT: Personnel Requirements

1. There are attached lists showing the present personnel of the Office of General Counsel and those personnel who will be separated from this office prior to 1 December 1945.

2. Most of the separation actions indicated are involuntary on our part as the work of liquidation places a very heavy pressure upon this office (exclusive of the War Crimes Division). It is believed, however, that no more than one officer or civilian and one enlisted man will be necessary as replacements for those who will leave prior to 1 December. By that date, it is anticipated that most of the War Crimes work of the office will have closed down, but that there will be a substantial volume of liquidation work (contract terminations, claims, property, etc.) for the non-War-Crimes part.
